Serves: 1  
Allergens: milk

Ingredients:  
2 tsp (9g) Nesquik Chocolate Milkshake Powder OR Nesquik Hot Chocolate Powder  
 $\frac{1}{4}$  tsp ground cinnamon  
 $\frac{1}{4}$  tsp ground ginger  
200ml semi-skimmed milk, warmed & frothed

### Method:

1. If you don't have a milk frother, don't worry! Add the milk to a small saucepan and heat until warm. To froth the milk: add the warm milk to a jam jar - make sure the lid is secure and tight - then shake! Alternatively, add the warm milk to a cafetière, and pump up and down vigorously, holding the lid down with your other hand, for 10 seconds.
2. Add the spices and Nesquik Chocolate Milkshake Powder or Hot Chocolate to a mug. Add a little of the hot milk and stir to form a paste.
3. Top with the rest of the frothed milk and enjoy!
