Serves: 3

Allergens: milk

Ingredients:

For the hats:

3 medium strawberries

3 mini white marshmallows

1 large marshmallows

1 straw, cut into three

For the strawberry milk:

6 tsp (9g) Nesquik Strawberry Milkshake Powder

600ml semi-skimmed milk

Method:

1. To make the Santa hats: cut off the top of the strawberries so they are completely flat. Slice the large marshmallow horizontally into three pieces so you have three disc shapes. Thread a strawberry onto the straw, pointed end first. Follow with a piece of the marshmallow, pushing it right up against the flat end of the strawberry to create the brim of the hat. Thread a mini marshmallow on to the top of the straw to create the bobble.
2. Add 2 tsp of Nesquik Strawberry Milkshake Powder to each glass. Add 50ml of milk to each one and stir to create a paste before adding the remaining 150ml of milk to each glass.
3. Add a Santa Hat straw to each glass and enjoy!
